To whom it may concern,

Please consider this letter to be my strong recommendation for Louise Jiang. During the time that Louise Jiang worked with me at BRANDX, she always showed professional business knowledge, talented design skills and elegant luxury aesthetic appreciation to her work and the clients.

Louise Jiang is very proactive in dealing with problems and is effective at working on multi-task in a fast-pace, ever-changing environment. She also has a strong desire for continual learning and a very sharp insight about the new design trends.

I recommend Louise Jiang with high confidence for any position that she feels matches to her career objectives and talents. Your organization will benefit by her valuable contribution.

If you have any requests or questions do not hesitate to contact me.

Sincerely,

Antony Duc

Associate Creative Director
